

## Special offers!!!

Go from design to site with Framer,  
the web builder for creative pros.

[Sing Up](#)

[Login](#)

### Layout

Use positioning to fix topbars,  
sidebars, and backgrounds.

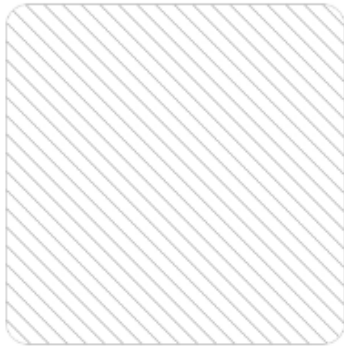

### Effects

Use effects like Transforms and  
Parallax scrolling.

### Plugins

Connect your site to the most  
popular apps out there.

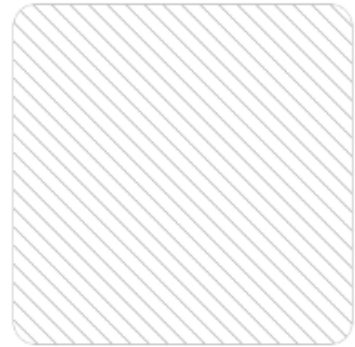

### CMS

Run a blog, list job openings, or manage your event schedule.

### Navigation

Visually structure your pages and link to them easily.

### SEO

Build lightning-fast, globally optimized sites.

## Reviews

"Thank you for building such an empowering tool, especially for designers! The site went from Figma to Framer in less than a week."

Kayla Ray
